Mr. Sun Yun

Partner and Design Director of Hangzhou Interior Architecture Design and Founder of fashion brand HYSSOP Cornerstone

Ms. Pan Daijing

"Pan Daijing is an artist and musician from Southwest China, currently based in Berlin. Her raw approach as a composer and performer takes many forms; primarily performance art, sound, dance and installation, hinging heavily on improvisation and acts of storytelling. Soul exposing utterances and sonic, aesthetic outbursts as a means of direct communication are the main tendons of her practice.

Ms. Daisy Zhang

Daisy Zhang takes the position as Marketing & Communication Director for Shiatzy Chen, a Luxury Fashion Brand from Taipei, she led 12 seasons show at Paris Fashion Week for this brand. She is also responsible for the brand image establishment and promotion in Hong Kong, Macau, Japan, France and Malaysia market. Before joining SHIATZY CHEN, she worked at Dior China, as Public Relation & Communication Manager for Fashion Department, before that, she also worked in Butterfly Fashion Group which is one of the biggest PR agency in China, achieve to Vice General Manager.

Mr. Cai Hao Howard

Howard's Gourmet was founded by Mr. Howard Cai, who first established 'Howard's Gourmet Workshop' in Guangzhou China in 2005. Aim to expressing a Chinese cuisine that is simple yet refined and distinctive, Mr. Cai has applied his knowledge of chemistry and science on improving the cooking techniques to perfection. In ten years of time, his creativity and his own interpretation of Chinese cuisine honored Mr. Cai the international acclamation with his famous Howard's gourmet experience worldwide.

Mr. Eric Ding

Deputy General Manager of the Casarte by Haier in China. With his keen trend insight and excellent brand management, he led Casarte to grow against fierce competition and create a high-end brand of Chinese home appliances. With the concept of 'create a better life for users', in the home washing-machine industry, create a new era of user experience in the Internet era; to create a new model of OTO full contact interaction with the idea of 'integrating ecology', is a role-model for China's home appliance brands.
